

All School Transportation

Dear Pardes Families,

All School Transportation is offering a door to door shuttle service to and from school for the Pardes Jewish Day School students. We have been providing a shuttle to and from school since August 2007. The shuttle has been very successful. We have established great relationships with the parents, kids and school staff; and look forward to providing the same service for the 2009-2010 school year. We would like to give all the parents and students the opportunity to utilize this service. We will also offer shuttle service for after school activities.

How convenient would it be to have All School Transportation transport your children to and from school everyday? No more waking up extra early or rushing out of the house every morning to get the kids to school on time. No more waiting in line to pick your kids up after school. It will also be better for the environment to have one driver picking up 6 or 7 different students as opposed to 6 or 7 vehicles on the road at the same time. The eco system will only get better if we all do our part in protecting the Earth. If we all did one small thing to cut down on pollution the effect will be huge.

The vehicles we provide are 7 passenger SUVs such as Suburbans, Escalades, and Navigators. All vehicles are commercially insured and all drivers have had background checks.

The shuttles will begin on Monday August 17th for both morning and afternoon. Please contact us for more information or visit our website at www.allschooltransportation.com.

All School transportation is not limited to school shuttles only. We can provide airport transfers, evenings out, etc. All Pardes families will receive 20% off all your additional transportation provided by All School Transportation.

Sincerely,

All School Transportation
